

Freshwater Station and Breakfasts

It truly is a wonderful experience to hold a function at this station not only because of its unique beauty but the history associated with this region. We can offer a range of venue areas suitable for cocktail receptions to small meetings; a pavilion area surrounded by tropical gardens to the historical Red Lynch's cottage. Our main dining area has a vintage atmosphere, with historical carriage & tropical gardens. Our three lovely restored carriages provide private dining in air conditioned comfort.

We are open all year and can cater for breakfast, morning and afternoon teas and lunch with a variety of offsite catering companies able to cater for your dinner function. Being part of an operating railway station means that we can offer some unique packages that can include train travel to and from your destination. Let our friendly and professional staff assist you with all details of planning to ensure your event in Tropical North Queensland is a memorable and unique experience!
